

For over 40 years, each Christmas Day we've been opening our doors to host a Christmas meal for nearly 100 elderly or disabled members of the community, who otherwise would be on their own, with the event being supported by a team of 100 volunteers.

This year, due to Covid-19 and our building being temporarily closed, we'll not be able to run Christmas Day as normal. However, we'll not be letting any of our guests down. Currently, we're looking at a Christmas Day operation of feeding over 250 isolated and vulnerable members of the older community.

We're working on several plans (Covid-19 dependent):

- A volunteer will go into the Guest's home with a hamper containing food, a game, and a gift; they'll eat and spend some time with them
- We'll supply a delivery service of Christmas hampers
- We'll identify local families who'd like to welcome a Guest in their home on Christmas Day and match them with suitable recipients

WE NEED VOLUNTEERS:

- Delivery drivers
- In-person visitors
- Chefs
- Crafters
- Packers
- Digital masterminds
- Local businesses able to offer a service
- Families to host on the special day
